

das HAUS

Houston Permitting Center // 11.08.11-11.17.11

Join a community of innovators.

Visit Das Haus and join professional colleagues from the fields of architecture, engineering, and construction in a tour of the latest market-ready solutions in sustainable building technology and energy efficiency.

The Das Haus pavilion is an integrated, multifaceted structure that demonstrates real-world technologies and solutions from Germany for meeting ultra-low energy building standards.

Come share the vision, be part of the dialogue and partner for the future.

Participate in the following:

- » Grand Opening Ceremony // November 10
- » The Net Zero House - Innovation in Renewables and Energy Efficiency Conference // November 15
- » Guided Tours of the Das Haus Pavilion
- » Industry Networking
