THE dasHAUS TOUR

Innovation in Renewables and Energy Efficiency

dasHAUS

Tour Market Ready Sustainability Solutions

Visit Das Haus and join professional colleagues from the fields of architecture, engineering, and construction in a tour of the latest market-ready solutions in sustainable building technology and energy efficiency. The Das Haus pavilion is an integrated, multifaceted structure that demonstrates real-world technologies and solutions from Germany for meeting ultra-low energy building standards.

Save the date: dasHAUS comes to Houston November 08-17, 2011.

Location: Houston Permitting Center, 1002 Washington Ave., Houston, TX 77002
